

Dear Parents and Carers

We have made the decision to close the school for the afternoon of **Wednesday 18th March at 1.15 pm.**

The children can come to school as normal in the morning and will have lunch at school. Please collect your children from the usual collection point.

ALL CHILDREN who are in school for the morning MUST be collected at 1.15 pm after lunch is completed.

We will be using this time to allow the staff to prepare the online provision to provide your children with home learning whilst self-isolating and in the event of full school closure.

This requires a significant amount of work and with our diminished staff team, we need to give the remaining members of staff additional time to prepare this.

The school will reopen on Thursday 19th March as usual if we have sufficient staffing.

Please do not contact the school regarding these arrangements.

If you are unable to collect your children at 1.15 pm please do not bring them to school for the morning session.

After school club will not be open on Wednesday 18th March but will reopen as normal on Thursday 19th March if there is sufficient staff.

Please keep checking school comms and the school website for further information.

Thanks for your co-operation in this matter.
