

Primary Sports Funding - North Ealing Primary School

Schools with primary aged pupils, including North Ealing Primary School, receive the PE and sport premium in the academic year 2017 to 2018. Schools receive this funding based on the number of pupils in years 1 to 6. The government calculates how many pupils in our school attract the funding using data from the January 2017 school census. Our school receives £16,000 and an additional payment of £10.00 per pupil.

At North Ealing we developed an action plan in order to continue to improve PE and School Sport provision and raise achievement for all pupils in sport.

Our priorities meant that some of the funding was spent on the following:

- **Increase activity during playtime and lunch times, including training of Playtime Supervisors and providing support through Fit For Sport**
- **Fit For Sport provide quality specialist coaches for teaching PE lessons across the school (Nursery to Year 6)**
- **Willow Tree SSP provide staff training and access to competitive competitions borough wide**
- **Whole school participation in the daily mile**

2017/18 537 Eligible Children: £16,000 plus £5,370 = £21,370

Sports funding- how it is spent	Description	Outcome/Impact
Improve Resources for PE	Investment in REAL PE resources across the school and equipment to enable the scheme. Use of Fit for Sport extensive resources, including Core activities, core activity progress tracker, curriculum maps pre-populated.	Year long PE is planned giving all pupils both challenge and the opportunity to succeed. All areas of PE are performed by all pupils with core activities designed to help achieve the new national curriculum. Progress tracker & Z plans mean children are continually assessed through the academic year. Staff at North Ealing are also able to take advantage of the extensive resources meaning for a higher quality & inclusive PE curriculum.
Specialist Instructors	Fit For Sport specialist coaches (x2) teach curriculum PE to all pupils from nursery to Year 6. FFS staff plan, deliver and assess PE lessons for all pupils. Fit For Sport provide opportunity to team teach with TA & teachers. (PE co-ordinator to have specialist training) Regular sports have been introduced to the school for example hockey, netball, tag rugby, cricket, boys and girls football, athletics.	Children to receive high quality PE/School Sport lessons. Improves pupils physical literacy, activity levels & enjoyment of PE/Sport. Specialist knowledge & confidence given to other staff at North Ealing. PE lessons with structural features that enable pupil participation to be more inclusive & achieve moderate to high levels of intensity. Noticeable increase in pupils physical literacy through the activity challenge. Assist in reporting to parents about key skills and progress made by all children. Lunch time Supervision and Training/CPD	Provide specialist coaches to provide lunch time activity/supervision. Provide workshops for Playtime Supervisors in raising activity levels during playtime. Range of clubs being provided at lunchtime and after school. PE co-ordinator has set up a sports council for Years 2 to 6 and play leader scheme with Year 5 pupils. These children will be monitoring activity at playtimes/lunch times and encouraging wider participation in clubs and activities. They will organise fundraising events and work to raise the profile of NES as a healthy school. Two Year 6 Sports Ambassadors provide the opportunities to blog, report and feed into Twitter.	Activities integrated into playtime and children participating in safe, fun sessions. Increase percentage of children active during lunch times by providing pupils opportunity to participate in various activities. More pupils active at lunch time results in daily target of 60 minutes activity being achieved. Other lunch time staff gain knowledge & confidence to provide a range of activities for pupils. Greater range of clubs encouraging more children to participate for example hockey club, provide a wider range of sports. Whole school community can engage in discussion on sport via the work of the Sports Ambassadors.
Support Competitions, Sports Day	Every unit of PE planned and delivered by FFS includes an intra- school/class competition for all pupils. FFS staff provide training & select teams for both competitions & sports day. Help to plan & support Sports Day	Increased understanding of winning and losing, knowledge of fair play and sportsmanship. Tactical awareness, team work all facilitated in intra - school competitions. Pupils also given opportunity to take on sport - related roles other than player. For example referee, coach, cheerleader. Help North Ealing to enter as many competitions as possible allowing a wider range of pupils the opportunity to compete in inter school competitions. Gifted & talented pupils more opportunity to compete & progress. All pupils able to compete during sports day.
Willow Tree SSP PE and school support package	Access to 12 school games competition days. Access to 2 school games leagues. Year 5 & 6 summer athletics 1 day competition. The use of a self assessment tool 'creative development wheel' on the Willow Tree website. This enables the PE co-ordinator and SLT to carry out a deeper analysis of the impact of the sports initiatives and sports premium on a half termly basis. The PE co-ordinator will be joining lessons following inhouse CPD to further support and strengthen the teaching of PE across the school.	Greater experience of large scale competitions and being a part of a team. Development and application of a range of athletic skills. Increased specialism and confidence for the lead on PE within the school. Ability to monitor and support the teaching staff in implement the new PE curriculum alongside FFS. Increased awareness and confidence of the new PE curriculum and use of resources.
Daily Mile	Two daily mile tracks painted which enables every class to run a mile or for 15 minutes daily. Class teachers lead and supervise.	Every child to receive the opportunity to run for 15 minutes on a track at least 3 times per week. Improve physical, social emotional and mental health and wellbeing for all children through an inclusive outside activity.
