

# North Ealing Primary School Risk Assessment: Coronavirus

To be implemented on January 2021 (updated June 2021)

5th January 2021	Changes made to reflect further controls due to the new virus variants and January 2021 national lockdown.
Jan 2021	To include lateral flow testing
February 2021	Updates made in line with Government guidance published on the 22nd February 2021 for the full opening of schools in March. Changes made include the areas of face coverings and asymptomatic testing.
March 2021	See Government guidance published on 26th March 2021. Changes made in the areas of; test and trace, CEV pupils, educational visits, wraparound care and extra-curricular activities and physical activities.
10th May	Updates made in line with Government guidance published on 10th May 2021. Foreword note added on face coverings. Additions made in the areas of educational visits, wraparound and extra-curricular provisions, performances and outdoor activities.
21st June	Updates on close contacts in KS2-seating plans etc to keep 'bubble sizes' as small as possible

What are the hazards?	Who might be harmed and how?	What are we doing to control the risk?	What further action is needed to control the risks?	Who needs to carry out the action?	When is the action completed	Daily Changes
<p><b>Entering and Exiting the school</b></p> <p>Biological hazard Covid 19</p>	<p>Staff, parents and pupils could become infected with COVID-19. If so, they are likely to experience mild symptoms such as fever or cough. In severe cases, this could lead to acute respiratory syndrome respiratory symptoms, and, in rare cases, even death</p>	<p><i>SLT on duty at all times to ensure social distancing etc</i></p> <p><i>Stagger drop-off and collection times (these have been amended for Critical /V children</i></p> <p><i>See new January time table arrangements</i></p> <p><i>Parents not to enter school grounds except to designated areas and scheduled appointments</i></p> <p><i>If children come on a scooter or bike parents must take to the designated bike are for their drop off point</i></p> <p><i>Staff will not be able to have conversations with parents at this time and all communication will have to be emailed to the office</i></p> <p><i>If a child is reluctant to enter the parent will have to take their child home if staff verbal encouragement does not work. The staff will not be able to physically help with the child in order to get them into school</i></p> <p><i>Pupil to be accompanied by only one parent to school</i></p> <p><i>Visitors and Volunteers by appointment only and only where virtual meetings cannot take place (Therapists, etc) track and trace log in will be on the sign in system. Social distancing as far as possible and Covid symptom guidelines will be followed. Visitors and Volunteers will be reminded that if they have symptoms they must leave the site immediately. Track and trace requirements must be completed on the sign in register for each visitor.</i></p>	<p><i>Use of two main school entrances</i></p> <p><i>Social distance marking equipment- sprays and floor stickers-all in place</i></p> <p><i>Staggered timetables in place</i></p>	<p>SLT</p> <p>All staff</p> <p>All children</p>	<p>Controls in place</p> <p>Further actions ongoing</p>	<p>Review ongoing daily</p>

		<p><i>On entry to school, staff and pupils wash their hands with soap and water for at least 20 seconds and hands dry or use alcohol hand rub or sanitiser ensuring that all parts of the hands are covered.</i></p> <p><i>All staff and visitors must not enter the school office or SBM office but use the hatch for conversations and enquiries. Email where possible to make an appointment or request.</i></p> <p><i>Late collection of children-the children will be taken to the link and parents phoned, the children will then be dismissed at the bottom gates of Pitshanger lane.</i></p> <p><i>Minimising contact with individuals who are unwell by ensuring that those who have coronavirus symptoms, or who have someone in their household who does, do not attend childcare settings or schools.</i></p> <p><i>Parents inform the school about a child not attending school due to illness following the normal procedures. The school must be notified if a child has Covid 19 symptoms.</i></p> <p><i>Where possible there will be one way systems in place in all areas of the school.</i></p> <p><a href="https://www.gov.uk/government/publications/actions-for-schools-during-the-coronavirus-outbreak/guidance-for-full-opening-schools">https://www.gov.uk/government/publications/actions-for-schools-during-the-coronavirus-outbreak/guidance-for-full-opening-schools</a></p> <p><i>Guidance for school offices can be found <a href="#">here</a></i></p>

<b>Social Distancing</b>  <b>EYFS</b>	<p>Staff, parents and pupils could become infected with COVID-19. If so, they are likely to experience mild symptoms such as fever or cough. In severe cases, this could lead to acute respiratory syndrome respiratory symptoms, and, in rare cases, even death</p>	<p><i>Avoiding contact with anyone with symptoms</i></p> <p><i>Minimising contact and mixing of groups through timetabling of areas, specific toilet times, where possible, lunch to be in classrooms or designated hall spaces</i></p> <p><i>Each hub should keep their distance, including staff where possible , inside and outside . Cover staff will be moving across hubs but will maintain precautions as much as possible.</i></p> <p><i>Limit each hub to year groups when inside and phases when outside (Hubs to be around 15 children where possible)</i></p> <p><i>Desks should be forward facing in KS2. In KS1 spaced as much as possible. In EYFS the children will be using the space as per normal.</i></p> <p><i>Children have individual equipment provided in their classrooms as much as possible.</i></p> <p><i>In the event of a child attending school in a mask, a plastic bag must be provided by their parent to keep these in</i></p> <p><i>Year Group Hubs to have their own set of outdoor equipment stored in the sheds and PE cupboard.</i></p> <p><i>The hubs will move around the school following the timetables and guidance very closely keeping to the one way systems and appropriate timetables</i></p> <p><i>Display social distancing reminders in all areas of the school</i></p>	<p><i>Communicate this plan with parents and carers prior to entry to the school</i></p>	<p>SLT</p> <p>All staff</p>	<p>Review spring term in new lockdown</p>	<p><b>Review class sizes etc Jan 11th</b></p>

		<i>Use outside as much as possible during the day (daily mile) and keep all areas well ventilated</i>				
<b>Social Distancing KS1 and KS2</b>	Staff, parents and pupils could become infected with COVID-19. If so, they are likely to experience mild symptoms such as fever or cough. In severe cases, this could lead to acute respiratory syndrome respiratory symptoms, and, in rare cases, even death	<p><i>Avoiding contact with anyone with symptoms</i></p> <p><i>Minimising contact and mixing of groups through timetabling of areas, specific toilet times, minimal use of communal areas</i></p> <p><i>Children to remain in designated seats where possible each day and friendship groups are recorded for close contact information to be readily available (KS2)</i></p> <p><i>Each hub should keep their distance, including staff where possible , inside and outside . Cover staff will be moving across hubs but will maintain precautions as much as possible.</i></p> <p><i>Each Hub to have its own outside equipment</i></p> <p><i>Desks should be forward facing in KS2 with seating plans. In KS1 spaced as much as possible. In EYFS the children will be using the space as per normal.</i></p> <p><i>Children to have individual equipment provided in their areas where possible</i></p> <p><i>The year group hubs will move around the school following the timetables and guidance very closely</i></p> <p><i>Display social distancing reminders in all areas of the school</i></p> <p><i>Use outside as much as possible during the day (daily mile) and ventilate all areas</i></p>		SLT All staff		
<b>Children playing together</b>	Pupils	<p><i>Breaks staggered.</i></p> <p><i>Playground equipment for year groups only to be used.</i></p> <p><i>Games need to be played that minimise contact</i></p> <p><i>Site Manager to check play areas daily and remove any hazards</i></p>	Continue to evaluate	Senior Leader on Duty Lunch time staff		

		<i>Ensure expectations for behaviour are set by staff before break and lunchtimes</i>				
<b>What are the hazards?</b>	<b>Who might be harmed and how?</b>	<b>What are we doing to control the risk?</b>	<b>What further action is needed to control the risks?</b>	<b>Who needs to carry out the action?</b>	<b>When is the action completed</b>	<b>Daily Changes and Review</b>
<b>School activities and learning</b>	Staff, parents and pupils could become infected with COVID-19. If so, they are likely to experience mild symptoms such as fever or cough. In severe cases, this could lead to acute respiratory syndrome respiratory symptoms, and, in rare cases, even death	<p><i>Consider which lessons or classroom activities could take place outdoors</i></p> <p><i>Use the timetable and selection of classroom or other learning environment to reduce movement around the school or buildings</i></p> <p><i>PE lessons take place outside as much as possible and when in the halls all equipment to be wiped down after and before sessions avoid high contact activities at all times.</i></p> <p><i>See addendum to the behaviour policy for details. Any behaviour issues with children SLT members will be called to help.</i></p> <p><i>Assemblies to take place in the classroom daily</i></p> <p><i>Visiting Therapist, P2B and EP will meet children on a 1-1 bases only in an allocated space away from main hub and areas will be cleaned afterwards and LFD tests requested for all visiting staff</i></p> <p><i>All rooms will be fully ventilated with doors open around school and in the classrooms.</i></p> <p><i>Where schools are considering team sports schools must only consider those sports whose national governing bodies have developed guidance under the principles of the government's guidance on team sport and been approved by the government i.e. sports on the list available at grassroots sports</i></p>	<p>Review after the first day in school 15/6</p> <p>Work with SLT on plans for learning KS1 PL and EYFS PL</p> <p><a href="https://www.gov.uk/government/publications/actions-for-schools-during-the-coronavirus-outbreak/guidance-for-full-opening-schools">https://www.gov.uk/government/publications/actions-for-schools-during-the-coronavirus-outbreak/guidance-for-full-opening-schools</a></p> <p>to be followed.</p> <p>To review in light of changing lockdown guidance</p> <p><a href="https://www.gov.uk/guidance/coronavirus-covid-19-grassroots-sports-guidance-for-safe-">https://www.gov.uk/guidance/coronavirus-covid-19-grassroots-sports-guidance-for-safe-</a></p>	SLT Hub leads P2B Senco Club leads and perip	<b>15/6 and ongoing</b>	<b>Review 18/6</b>

		<p><i>guidance for safe provision including team sport, contact combat sport and organised sport events</i></p> <p><i>If planning an indoor or outdoor face-to-face performance in front of a live audience, schools should follow the latest advice in the working safely during COVID-19 in the performing arts guidance, which provides details of how to manage audiences as well as carry out performing arts safely. If planning an outdoor performance, schools should also give particular consideration to the guidance on delivering outdoor events Schools should consider alternatives such as live streaming and recording performances, subject to the usual safeguarding considerations and parental permission</i></p> <p><i>School trips may go ahead in some circumstances. However children will not travel on public transport . The relevant coach companies and venues RA will be checked and agreed. Year groups will be encouraged to use the local area for any visits/trips particularly if they take place outside.</i></p> <p><i>Swimming will take place for Year 4 and the relevant coach companies and centre RA will be checked and agreed. (postponed due to third lockdown)</i></p>	<p><i>provision- including-team- sport-contact- combat-sport-and- organised-sport- events</i></p> <p><i><a href="https://www.eventsindustryforum.co.uk/index.php/11-features/14-keeping-workers-and-audiences-safe-during-covid-19">https://www.eventsindustryforum.co.uk/index.php/11-features/14-keeping-workers-and-audiences-safe-during-covid-19</a></i></p>			
<p><b>Musical instrument lessons and clubs</b></p>	<p>Staff, parents and pupils could become infected with COVID-19. If so, they are likely to experience mild symptoms</p>	<p><i>Peripatetic music teachers will continue to offer music lessons -suspended in lockdown moved online and LFD tests requested.</i></p> <p><i>Social distancing measures will be in place including plastic screens and groups to be from established hubs only.</i></p> <p><i>School Clubs run by members of staff will be</i></p>	<p>To review in light of changing lockdown guidance</p> <p><a href="https://www.gov.uk/guidance/education-and-childcare-settings-new-national-">https://www.gov.uk/guidance/education-and-childcare-settings-new-national-</a></p>			

	<p>such as fever or cough. In severe cases, this could lead to acute respiratory syndrome respiratory symptoms, and, in rare cases, even death</p>	<p><i>organised in phase group hubs given reduced numbers. Suspended in lockdown 3 and LFD tests requested.</i></p> <p><i>Breakfast, After School and other Clubs will continue in phase hubs only given the reduced numbers. Social distancing measures in place. Suspended in lockdown 3 and LFD tests requested.</i></p> <p><i>-Volunteers are limited to activities not taking place in the classrooms, outside in the main and the children are in Year group hubs only and LFD tests requested.</i></p>	<p><a href="https://www.gov.uk/government/news/restrictions-from-5-november-2020?utm_source=4%20November%202020%20C19&amp;utm_medium=Daily%20Email%20C19&amp;utm_campaign=DfE%20C19">restrictions-from-5-november-2020?utm_source=4%20November%202020%20C19&amp;utm_medium=Daily%20Email%20C19&amp;utm_campaign=DfE%20C19</a></p>			
<b>What are the hazards?</b>	<b>Who might be harmed and how?</b>	<b>What are we doing to control the risk?</b>	<b>What further action is needed to control the risks?</b>	<b>Who needs to carry out the action?</b>	<b>When is the action completed</b>	<b>Daily Changes and Review</b>
<b>Cleaning and Hygiene Standards</b>	<p>Staff, pupils, parents/carers community</p>	<p><i>Regular hand-washing is to be directed – on arrival, before and after breaks and at home time</i>  <i>Soap must be available in all toilet facilities and classrooms</i></p> <p><i>Hand washing/gel where possible should be in all key areas eg reception, staffroom . outside areas</i>  <i>Tissues to be readily available for all staff and pupils to follow the catch it, bin, it kill it advice</i>  <i>Stock of soaps/sanitiser in place</i>  <i>Site Managers to replenish stocks of soap and sanitiser throughout the school day</i></p>	<p>Follow the <a href="#">COVID-19: cleaning of non-healthcare settings guidance</a></p> <p>Hand gel contract set up for 4 points in school</p>	<p>All staff  SBM  Site staff  Cleaners</p>	<p>Controls in place</p> <p>Further action ongoing</p>	

		<p><i>Cleaning company asked to focus on surfaces that are a risk of transferring the infection – tables, door handles etc</i></p> <p><i>Door handles and toilets cleaned at lunchtime</i></p> <p><i>All areas to be well ventilated</i></p> <p><i>All rooms to have their own surface spray, gloves and cloths for use in the day – lunchtime etc</i></p> <p><i>PPE available for changing children and for First Aid in the medical room</i></p> <p><i>Staff room seating-additional areas to be set up in the lower staff room-social distancing must be adhered to. Visors and masks may be worn in and around communal areas unless consuming food</i></p> <p><i>All utensils must go in the dishwasher and anything used must be wiped down with wipes provided. Regular hand washing must be observed. All staff must social distance in these areas and wear a mask/visor</i></p>	<p>Clean surfaces that children and young people are touching, such as toys, books, desks, chairs, doors, sinks, toilets, light switches, bannisters, etc. more regularly than normal</p>			
<b>What are the hazards?</b>	<b>Who might be harmed and how?</b>	<b>What are we doing to control the risk?</b>	<b>What further action is needed to control the risks?</b>	<b>Who needs to carry out the action?</b>	<b>When is the action completed</b>	<b>Daily Changes and Review</b>
<p><b>Dealing with suspected and confirmed of coronavirus</b></p> <p><b>A child or staff member shows</b></p>	<p>Staff, pupils, parents/carers community</p>	<p><b>Suspected cases:</b></p> <p><i>If a child, young person or staff member develops symptoms compatible with coronavirus, they should be sent home and the <a href="#">stay at home guidance</a> followed. If a child is awaiting collection, they should be moved, if possible, to the school house kitchen where they can be isolated behind a closed door, depending on the age of the child and with appropriate adult supervision if required. Ideally, a window should be opened for ventilation. If they need to go to the bathroom while waiting to be collected, they must use a separate bathroom in the</i></p>	<p><i>Keep up to date with DfE guidance</i></p> <p><i>Letters to parents with updates and expectations</i></p>	<p>SLt hub leads First Aiders Parents Pupils</p>	<p>on going</p>	<p>Review as cases emerge</p>

<p><b>symptoms of the Coronavirus.</b></p> <p><b>A child or adult tests positive for the virus</b></p>		<p><i>school house downstairs and this will then be cleaned before another person can use again</i></p> <p><a href="https://www.gov.uk/government/publications/covid-19-stay-at-home-guidance/stay-at-home-guidance-for-households-with-possible-coronavirus-covid-19-infection">https://www.gov.uk/government/publications/covid-19-stay-at-home-guidance/stay-at-home-guidance-for-households-with-possible-coronavirus-covid-19-infection</a></p> <p><i>The school office will then communicate with the parent that the child will need to isolate for 10 days and other household members about the need to self-isolate for 10 days. All staff and young people have access to testing and the families and are encouraged to get a test. We will need to make a reasonable assessment about safe admission of a child back to school within the 10 day isolation period. The Head Teacher will then notify the other members of the hub to stay alert for symptoms and follow the self-isolation advice, as above.</i></p> <p><i>All stakeholders are asked to use the track and trace procedures as set out in the stay at home guidance . and LFD tests and subsequent PCR</i></p> <p><b>Confirmed cases:</b></p> <p><i>If a child, young person or staff member tests positive, the school will contact Public health for further guidance and the Head Teacher will then notify the other members of the hub to stay alert for symptoms and follow the self-isolation and testing advice, as above. Based on this guidance the school may send home those who have had close contact with the person who tested positive.</i></p> <p><a href="https://www.gov.uk/government/publications/covid-19-stay-at-home-guidance/stay-at-home-guidance-for-households-with-possible-coronavirus-covid-19-infection">https://www.gov.uk/government/publications/covid-19-stay-at-home-guidance/stay-at-home-guidance-for-households-with-possible-coronavirus-covid-19-infection</a></p>	<p><i>Track and trace arrangements</i></p>			
--	--	---	--	--	--	--

<p><b>Track and Trace arrangements</b></p>	<p><b>STAFF WHO HAVE BEEN ASKED TO SELF ISOLATE THROUGH THE TEST AND TRACE PROCESS (If they are a 'close contact' of a confirmed case of coronavirus)</b></p>	<p><i>Staff who have been contacted by the NHS test and trace service should follow any guidance given to them by the test and trace service</i></p> <p><i>Stay at home (self-isolate) and do not leave your house for 10 days from the date when the household member first had symptoms</i></p> <p><i>A 'contact' is defined as a person who has been close to someone who has tested positive for COVID-19 anytime from 2 days before the person was symptomatic up to 10 days from onset of symptoms (this is when they are infectious to others). For example, a contact can be: people who spend significant time in the same household as a person who has tested positive for COVID-19 a person who has had face-to-face contact (within one metre), with someone who has tested positive for COVID-19, including</i></p> <ul style="list-style-type: none"> <li><i>o being coughed on</i></li> <li><i>o having a face-to-face conversation within one metre.</i></li> <li><i>o having skin-to-skin physical contact,</i></li> <li><i>o contact within one metre for one minute or longer without face-to-face contact</i></li> </ul> <p><i>a person who has been within 2 metres of someone who has tested positive for COVID-19 for more than 15 minutes</i></p> <p><i>a person who has travelled in a small vehicle with someone who has tested positive for COVID-19 or in a large vehicle or plane near someone who has tested positive for COVID-19.</i></p> <p><b>These staff should not be at school</b></p>	<p><i>Link to Gov UK test and trace guidance</i>  <a href="https://www.gov.uk/guidance/nhs-test-and-trace-how-it-works">https://www.gov.uk/guidance/nhs-test-and-trace-how-it-works</a></p>	<p>SLt  hub leads  First Aiders  Parents  Pupils</p>	<p>On receipt of the information from the staff member</p>	
--	---	--	---	--	--	--

<p><b>CEV-STAFF WHO ARE IDENTIFIED AS BEING IN THE CLINICALLY EXTREMELY VULNERABLE &amp; SHIELDED GROUP</b></p>		<p><i>The guidance in the link below sets out advice for those who are in the clinically extremely vulnerable group. It provides a list of those who would be classified as clinically extremely vulnerable as well as guidance for anyone who thinks they should be on the list. (suspended)</i></p> <p><i>The guidance includes a section on how clinically extremely vulnerable people can access care and support to help keep them safe and well and look after their mental as well as physical health.</i></p>	<p><a href="https://www.gov.uk/government/publications/guidance-on-shielding-and-protecting-extremely-vulnerable-persons-from-covid-19/guidance-on-shielding-and-protecting-extremely-vulnerable-persons-from-covid-19">https://www.gov.uk/government/publications/guidance-on-shielding-and-protecting-extremely-vulnerable-persons-from-covid-19/guidance-on-shielding-and-protecting-extremely-vulnerable-persons-from-covid-19</a></p>			
<p><b>STAFF WHO ARE IDENTIFIED AS BEING IN THE CLINICALLY VULNERABLE GROUP</b></p>		<p><i>This group can go to work, if they cannot work from home, as long as the workplace is Covid secure</i></p>				
<p><b>STAFF WHO HAVE A MEMBER OF THEIR HOUSEHOLD WHO ARE IDENTIFIED AS BEING ON THE CLINICALLY EXTREMELY VULNERABLE &amp; SHIELDED GROUP</b></p>		<p><i>The latest Govt guidance is that these staff can attend the workplace</i></p> <p><i>Pregnant women are in the 'clinically vulnerable' category, and are generally advised to follow the above advice, which applies to all staff in schools. Employers should conduct a risk assessment for pregnant women in line with the model on the EgFL -</i></p> <p><a href="https://www.eqfl.org.uk/facilities/health-and-safety/new-expectant-mothers">https://www.eqfl.org.uk/facilities/health-and-safety/new-expectant-mothers</a></p>	<p><a href="https://www.gov.uk/guidance/education-and-childcare-settings-new-national-restrictions-from-5-november-2020">https://www.gov.uk/guidance/education-and-childcare-settings-new-national-restrictions-from-5-november-2020</a></p>			
<p><b>STAFF WHO ARE PREGNANT</b></p>			<p><i>The Royal College of Obstetrics and</i></p>			

<p><b>STAFF WHO HAVE A MEMBER OF THEIR HOUSEHOLD WHO IS SYMPTOMATIC WITH COVID SYMPTOMS</b></p>		<p><i>As well as the standard risk assessment for pregnant staff (which may have already been completed by the school), we will need to undertake an individual staff risk assessment.</i></p> <p><i>Stay at home (self-isolate) and not leave your house for 10 days from the date when the household member first had symptoms</i></p> <p><i>Follow guidance for <a href="#">households with possible coronavirus infection</a></i></p> <p><i>Inform the school and get tested if you develop symptoms yourself</i></p> <p><i>Please follow guidance on test and trace and managing a suspected or confirmed case in an education setting, see 5 below</i></p> <p><b><i>These staff should not be at school</i></b></p>	<p>Gynaecology (RCOG) has published <a href="#">occupational health advice for employers and pregnant women.</a></p>	<p>SLT and appropriate staff member</p>		
<p><b>STAFF WHO ARE RELUCTANT TO ATTEND WORK DUE TO ANXIETY FOR THEIR OWN SAFETY RELATED TO COVID 19 AND WHO MAY OTHERWISE BE AT INCREASED RISK FROM COVID 19</b></p>		<p><i>Some people with particular characteristics may be at comparatively increased risk from coronavirus (COVID-19), as set out in the <a href="#">COVID-19: review of disparities in risks and outcomes report</a>, which looked at different factors including age and sex, where people live, deprivation, ethnicity, people's occupation and care home residence. These staff can return to school in September as long as the system of controls set out in the DfE guidance (<a href="https://www.gov.uk/government/publications/actions-for-schools-during-the-coronavirus-outbreak/guidance-for-full-opening-schools">https://www.gov.uk/government/publications/actions-for-schools-during-the-coronavirus-outbreak/guidance-for-full-opening-schools</a>) are in place. The reasons for the disparities are complex and there is ongoing research to understand and translate these findings for</i></p>	<p><i>These staff can be asked to work from home</i></p> <p><i>In addition please follow the guidance on the link below <a href="https://www.gov.uk/government/publications/covid-">https://www.gov.uk/government/p</a></i></p>			

<p><b>STAFF WHO ARE REQUIRED TO SELF-ISOLATE (QUARANTINE) AFTER RETURN TO THE UK OR PRIOR TO HOSPITAL ADMISSION</b></p> <p><b>STAFF WHO CANNOT ATTEND WORK DUE TO CHILDCARE RESPONSIBILITIES</b></p>		<p><i>individuals in the future.</i></p> <p><i>Staff returning from a country which is not on the 'exempt' list will be required to self-isolate for a period of 10 days.</i></p> <p><i>Please see details in this link for the list of exempt countries and the process for self-isolating</i></p> <p><a href="https://www.gov.uk/government/publications/coronavirus-covid-19-how-to-self-isolate-when-you-travel-to-the-uk/coronavirus-covid-19-how-to-self-isolate-when-you-travel-to-the-uk">https://www.gov.uk/government/publications/coronavirus-covid-19-how-to-self-isolate-when-you-travel-to-the-uk/coronavirus-covid-19-how-to-self-isolate-when-you-travel-to-the-uk</a></p> <p><i>Check and understand background to childcare concerns and ascertain why they cannot now revert to childcare provisions that were in place prior to lockdown.</i></p> <p><i>Is the breakdown in childcare provision temporary?</i></p> <p><i>Can you be more flexible (e.g. with working hours) on a short-term basis to support them being able to work while they make permanent/long term arrangements for childcare?</i></p>	<p><a href="#"><u>19-stay-at-home-guidance</u></a></p> <p><a href="#"><u>COVID-19: review of disparities in risks and outcomes report</u></a>, This could include staff from a BAME background who may have concerns and in these circumstances</p> <p><b>The Government currently advises British nationals against all but essential international travel although some countries are exempt from this advice.
