

DAYBREAK

Singin' to the world,
It's time to let the spirit come in.
Let it come on in. (I'm)
Singin' to the world.
Everybody's caught in the spin.
Look at where we've been.

We've been running around, year after year,
Blinded with pride...blinded with fear.

But it's Daybreak...If you wanna believe it can be
Daybreak...Ain't no time to grieve.
Said it's Daybreak...if you'll only believe
And let it shine, shine, shine...

All around the... All around the wooorld!
Singin' to the world, singin', singin'
Singin' to the world, singin', singin'

Singin' to the world.
What's the point of putting it down?
There's so much love to share. (I'm)
Singin' to the world.
Don't you know it all comes around?
The feeling's...everywhere!

We've been closin' our eyes, day after day,
Covered with clouds...losing our way!

But it's Daybreak...If you wanna believe it can be
Daybreak...Ain't no time to grieve.
Said it's Daybreak...if you'll only believe
And let it shine, shine, shine...

All around the... All around the wooorld!
Singin' to the world, singin', singin'
Singin' to the world, singin', singin'

(But it's) Daybreak...If you wanna believe it can be
Daybreak...Ain't no time to grieve.
Said it's Daybreak...if you'll only believe
And let it shine, shine, shine...

All around the world, All around the wooorld!
Everyone's singin', singin' to the world!

Shine, shine, *shi-ine*
All a-ro-ound the...
Singin' to the world,
singin', singin'
Singin' to the world,
singin', singin'
Singin' to the world,
singin', singin'
Singin' to the world,
singin', singin'
Singin' to the world,
singin', singin'

(Come on and let it)
Shine, shine, *shine*
All a-ro-ound the wooorld!

Said it's...
da-ay-ay-ay-aybreak
Can you feel it? It's...
da-ay-ay-ay-aybreak
Can you feel it? It's...
da-ay-ay-ay-aybreak
(Come on and let it)

Shiiiiine!
