

EARTH, SEA AND SKY

Have you ever danced across a meadow
On a warm and sunny summer's day?
Or listened to the rustle as the wind flies by,
Or smelt the scent of new-mown hay?

*Take a moment, take your time
And never let this beauty pass you by.
This precious planet is a wonderful place:
The earth, the sea, the sky!*

Have you watched a perfect little snowflake
As it floats so softly down to land?
Or tried to catch a sunbeam as it falls to earth,
Or held a seashell in your hand?

*Take a moment, take your time
And never let this beauty pass you by.
This precious planet is a wonderful place:
The earth, the sea, the sky!*

Have you ever listened to a blackbird
As he sings his song for all to hear?
Or watched the breakers rushing to the sandy
shore,
Or counted stars as they appear?

*Take a moment, take your time
And never let this beauty pass you by.
This precious planet is a wonderful place:
The earth, the sea, the sky!*
